

Manor College

Program of Veterinary Technology

Uniform Policy

All students in the Program of Veterinary Technology are required to purchase and wear the following uniform to all veterinary technology lectures, laboratories and field trips:

1. Ceil blue (light blue)* V-neck scrub shirt and scrub pants.
Can be ordered from Veterinary Apparel Company, or purchase elsewhere
Make sure the scrub pants fit comfortably and accommodate bending and squatting.
2. When needed, white shirts should be worn under the scrub top; this is particularly recommended if the V-neck hangs too low.
3. Comfortable white sneakers or white nursing shoes.
4. Name tag to be ordered:
Two (2) lines, white with black letters* that reads:
“Your first and last name
Manor College VT Student”
Magnetic name tags are preferred
Must be worn in all VT classes and on field trips .
5. Wrist-watch with second hand or digital display.
6. Navy blue* wrap around unisex lab coat, ordered from Veterinary Apparel Company
This lab coat must be worn during freshman Anatomy and Physiology (VT110 and VT11) laboratories and by freshman in the Pinning Ceremony. It does not have to be worn to lectures.
7. For Large Animal Clinical Procedures classes (VT105), you will need:
 - Navy Blue* coveralls ordered from Veterinary Apparel Company. Short or long sleeve is acceptable.
 - Sturdy leather work bootsRefer to separate handout for more details about this course.

* No other color may be used.

Nails, Make-up and Jewelry:

Students must maintain very short fingernails and may not wear nail polish. Make-up and jewelry must be minimal. If at all possible, tattoos should be concealed. When in laboratories and on field trips, no jewelry of any kind may be worn (including body piercings) and long hair should be pulled back.
